## ANNOUNCING THE LAUNCH OF OUR NEW WEBSITE!

We are very excited to announce the launch of our church's newly designed website. Visit us at [www.stnicholaschurchde.org](http://www.stnicholaschurchde.org).

After more than six months of hard work and dedication, we are delighted to announce that the website went live on May 8th, 2020. We wanted to make the new website faster, easier to navigate, and more user-friendly. Our goal with this new website is to provide our visitors and potential new parishioners an easier way to learn about our church and our faith. The new site also has information on the history of our parish, pictures from various events, and our bulletin uploaded weekly for you to read during this time of social distancing. We have also launched online giving through the website, which is especially timely during COVID-19. You will now be able to give your offering in the comfort of your own home, securely through the website via our partner vendor [Tithe.ly](https://www.tithe.ly). Plus, parishioners can set up recurring donations as well at various intervals. Our new website was made possible through the work of Heather Cox, owner of Business Gypsy Web Design and our church webmaster, John Kotula. God Bless Them and grant them Many Happy Years! Mnoyaha Lita!
