On Pentecost (June 7, 2020 according to the Julian Calendar), Father and Head of the Ukrainian Greek Catholic Church His Beatitude Sviatoslav performed the ordination of the ruling bishop for the Eparchy of the Holy Apostles Peter and Paul in Melbourne (Australia) Mykola Bychok for Ukrainians in Australia, New Zealand, and other countries of Oceania.

During the sermon to the faithful, the Primate noted the importance of the Feast of the Descent of the Holy Spirit. "Today the Church of Christ," said the preacher, "celebrates one of our greatest holidays. In fact, the Church is celebrating its birth today." Our Savior Jesus Christ taught His apostles about this day. There is no spiritual life, the Archbishop emphasized, without the presence of the power and action of the Holy Spirit.

The **"Our Father"** is the core of Holy Scripture, an "epitome of the whole Gospel." Located in the Sermon on the Mount—the teaching about the new life of the Christian—it unites within itself the revelation of God as Father, and our filial response of faith, in which "with confidence" we ask the Father for "that which we need" (see Mt 6:32; Lk 12:30). We call this prayer, which we received and learned from the Lord himself, the Lord's Prayer. Thus, he is both the Teacher and Model of our prayer. Liturgy Petitions for the Healing from Coronavirus:

Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. In the midst of the coronavirus pandemic, give your command that we may be spared from this illness and experience your healing love, let us pray to the Lord. Supreme Physician of our souls and bodies, heal those who are ill from coronavirus, have mercy on those who have died and comfort their families, grant the wisdom to those searching for a cure, and help us, through your peace, to overcome our anxiety and fear, let us pray to the Lord.
