Preserve and promote our own traditions: when you enter, it is customary to first go to the Tetrapod Table up front, in the middle of church — we are to make the sign of the cross, bow, and kiss the icon and cross displayed. We then bow and make the sign of the cross again, and then go to light candles or take our place for Liturgy. In our Ukrainian Greco-Catholic Churches, we make the Sign of the Cross (holding together the right thumb, index and middle fingers) starting with our forehead, then to our mid-chest, then to our right shoulder first, then the left shoulder. Also in our churches, we do not genuflect (brief bending of the right knee towards the altar) - instead we make the sign of the cross the Eastern way, and bow towards the altar. And remember that church is a holy place, so try to keep quiet (not to talk or laugh loudly) before, during, or after the church services. Let’s preserve and promote our own and beautiful traditions.

Entering the Church: Arrive on Time - The time to arrive at church is before the service starts. If you arrive after the Divine Liturgy has begun, try to enter the church quietly and at the appropriate moment. We must not be walking in or around the church when the Gospel is being read, when a procession is taking place, or at any time that the priest is facing the congregation.
